Emily plays around with a diverse set of topics and structural form of poetry in this impactful collection. Weasel Press is a new independent publisher still figuring things out in the literary world. We re dedicated in seeking quality writers and helping them get a voice in an already loud world. We re a little rusty at the moment since things are still under construction, but we hope to build a great reputation! Our first publication was Vagabonds: Anthology of the Mad Ones, a literary magazine that is still printing and still growing. From there we ve grown into a few other titles. This past year we ve released two issues of Vagabonds, partnered with Mind Steady Productions to bring an electric issue of Open Mind, and dove into the darker world with The Haunted Traveler. We ve got a lot of plans for the near future, so stick around and watch us grow into something awesome!//.
