PALEO DIET ON A BUDGET

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ****** Print on Demand ******. If you re checking out this book, chances are you have read all the amazing benefits of paleo and would really love to make the transition. There s just one thing stopping you: the high price of eating fresh, quality food for every meal of the day. When many of us imagine a plate full of fresh veggies and lean meat, we immediately assume it must be expensive. If you just go to the store without a plan and buy the most expensive versions of everything, yes, it will get expensive. On the other hand, if you shop and cook smart, eating a paleo diet doesn t have to cost you a single extra dime! This book was specifically designed for those who want to find that beautiful balance between living and eating healthy without breaking the bank or giving up the things you love. In this book, you ll learn many different strategies for making paleo friendly and budget friendly the same thing. In this book, you ll find: A quick overview of how much more expensive paleo actually is than the average diet; A few facts about paleo and how it will help you naturally cut costs in certain areas; Ingenious tips for mastering the art of paleo grocery shopping on even the tightest of budgets; Pro tips for getting the best deals on high quality foods that are usually the most likely to break the bank; Habits you can adopt to help cut down on the cost of food, and; Practical strategies for cutting your costs in other parts of your budget to free up more cash for food. There are lots of different tips and strategies included. You ll be...
