Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

THE ESSENTIAL HAND FOOT

Xlibris Corporation, United States, 2005. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.In the late 1940s and early 1950s, Canasta was all the rage. Fast forward forty years or so. Canasta is still played, though mostly by people who learned the game more than a generation ago. However, somewhere (I do not know exactly where) someone (I do not know exactly who) decided that Canasta needed to have new life breathed into it, thus this new variation called Hand Foot. It only takes a quick practice hand to teach the gist of the game. Though its similarities to Canasta are unmistakable, Hand Foot is an edgier game that allows players to be more aggressive. Everyone has a strategy, some quite elaborate, others quite generic, but the caveat to each is if the cards cooperate. The luck of the draw is a variable everyone has to take into account. Among Hand Foot players there are often heard frustrated sighs and disgusted groans. There is also breathless anxiousness as players sweat out an opponent's turn hoping they will not go out before a Foot can be played or a red three can be discarded. Like a spirited game of Monopoly, Hand Foot tends to bring out elements of personality heretofore unknown among its players, you know, sort of a playful viciousness. It only takes one round of Hand Foot for a new player to recognize the objectives and basic strategies, and the opportunities for deviousness. Also, while a veteran player who plays a solid game has a definite advantage, a novice can have fun and even prevail. It cannot be taken for granted that the best and most experienced player at the table will win a game of Hand...
