Reviews

*It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).
(Matteo Torp)*

THE BEGINNING OF THE END

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The dead rise. A mysterious incident in Russia, a blip buried in the news--it's the only warning humanity receives that civilization will soon be destroyed by a single, voracious virus that creates monsters of men. Humanity falls. A lawyer, still grieving over the death of his young wife, begins to write as a form of therapy. But he never expected that his anonymous blog would ultimately record humanity's last days. The end of the world has begun. Governments scramble to stop the zombie virus, people panic, so-called Safe Havens are established, the world erupts into chaos; soon it's every man, woman, and child for themselves. Armed only with makeshift weapons and the will to live, a lone survivor will give mankind one last chance against. Apocalypse Z.
