BJ Harvey, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What would you do if you were told that everything you had ever believed in and everything you had ever known, was a lie? Elle s life is altered forever after an unexpected phone call and an unwelcome visitor. Trying to put her life back together, Brax s last words continue to echo through her mind. Why she is being followed and why is she suddenly in danger? The fact that Brax knew about it all and still left her alone, breaks her fragile heart all over again. Brax will never forgive himself for leaving Elle at a time when she needed him the most, even if he believed it was the only way to protect her. As he makes his way back to her life, he is determined to win her back, regain her trust and help rebuild her for the second time. His return proves he is the same man, yet Elle sees in his eyes a haunted look she knows all too well. When a confession leaves Elle reeling, her entire life unravels around her. She begins to understand that the people she trusts the most have put her in grave danger and the people who have been protecting her actually want to cause her harm. Elle soon discovers that the old adage is true, you have to become lost before you can be found.
