Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****.La peste es una novela del escritor frances Albert Camus (1913-1960). Publicada en el 10 de junio de 1947, cuenta la historia de unos doctores que descubren el sentido de la solidaridad en su labor humanitaria en la ciudad argelina de Oran, mientras esta es azotada por una plaga. Los personajes del libro, en un amplio abanico que va desde medicos a turistas o fugitivos, contribuyen a mostrar los efectos que una plaga puede tener en una determinada poblacion. Se piensa que la obra esta basada en la epidemia de colera que sufrio la misma ciudad de Oran durante 1849 tras la colonizacion francesa, a pesar de estar ambientada en el siglo XX. La poblacion de Oran habia sido diezmada por varias epidemias repetidas veces antes de publicar Camus la novela. Obra fundamental de la literatura del siglo XX, es considerada un clasico del existencialismo, a pesar del rechazo de Camus a esta etiqueta. La peste muestra como el hombre se enfrenta al absurdo, nocion filosofica cuya teoria el propio autor contribuye con esta misma novela a definir.
