Brown Books Kids, 2018. Paperback. Condition: New. Language: English . Brand New Book. Isla loves her life with her dad on their sprawling Texas ranch. What it lacks in people, it more than makes up for in animals and wildlife. All the creatures in the woods and fields are Isla's trusted friends, and she speaks their language almost better than her own. When a new family moves in near the property, Isla begins to realize the value and fun in having friends more like her. Meeting her new friend Cash is its own adventure, and she starts to introduce him to her favorite parts of the ranch. But soon, Isla starts realizing odd things out of place, and then fires begin to start all across the property. Could it simply be the drought that's to blame, or is there something more calculated behind it all? Discover the truth with Isla and Cash in the exciting first book of Isabella Allen's Wild at Heart Mysteries series, Through the Barbed Wire!.
