FRCR PART 2A: SINGLE BEST ANSWER (SBA) QUESTIONS FOR THE NEW FORMAT (PAPERBACK)

Anshan Ltd, United Kingdom, 2010. Paperback. Condition: New. New 2009 format. Language: English. Brand New Book. In September 2009, the format of the written Radiology FRCR Part 2A examinations changed. The previous negatively-marked true-false MCQs have become obsolete, replaced by single best answer (SBA) questions, with candidates selecting 1 of 5 options, without negative marking. The author team have themselves recently successfully sat the FRCR exam, and have prior experience in the SBA format, making them ideally suited to write...

Reviews

This publication will not be easy to get going on reading but really exciting to read through. It was written really perfectly and beneficial. I found out this pdf from my i and dad suggested this publication to find out.

-- **Garrett Adams**

A top quality publication along with the typeface applied was exciting to read through. It can be really interesting through reading through time. Your life period will be enhanced once you fully read this article book.

-- **Prof. Demond McClure**
