

Innovative Chrysalis Schools (Paperback)

By Norma Hickox

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The education scene in our country is in a state of flux. The system we have been using for educational standards and guidelines is no longer applicable for today s times. It served most people well in the past, but it is time for a change. Our whole system of education needs to be restructured from bottom to top. We already have entities in the public school system who are bored and ready for more advanced material than they are offered. The generation gap has jumped very rapidly; the younger generation is much more evolved and our system has not kept pace with the evolvement of humanity. The goal of the Chrysalis Schools is the opening of the creative channel in children at a young age. I have designed a totally new school system to be used from birth through college based on The Science of Music. There will actually be three main divisions with large modules. Each one will focus on a different aspect of the students. The Swimming Pool/Skating Rink module will serve the physical body. The Gymnasium module...

Reviews

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
