Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Companies all over the world could greatly benefit from moving part of even all their staff to work from home as virtual employees. Using the techniques and strategies inside The Invisible Organization, all that is possible quickly and efficiently. If you are the CEO of a company that could benefit by generating more profits, shedding overhead and thrilling staff, this book is a must read. Penned by former CEO of Tony Robbins and Chet Holmes Business Breakthroughs, International, Russo successfully scaled the company with nearly 100 growth per year, and about 300 remote staff, owning no infrastructure. Russo helps clients create the leadership management strategy as outlined in his book and advises CEOs on moving virtual with confidence. Why is this book different than other books on working virtually? Because it comes from the CEOs perspective as an operating executive; dealing with the strategy of creating momentum around changing the company, slowly at first and then accelerating as results prove viable. The book is more of a blueprint designed to accomplish this singular act of internal revolution.
