GROWING IN CONSCIOUSNESS: JOURNEYS IN CONSCIOUSNESS I - WITH COMMENTARY

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.After publication of his first book, What We Believe That Makes Us Different, Charles DeTurk uncovered a wealth of writings from his past, composed of articles, essays, transcripts of talks, the content of eLetters, and Weblog entries that few people have seen, heard or read. He realized that in the quarter of a million words in these documents that he potentially had another several books, to say the least, in exciting and provocative ideas and information. So he has sorted out a large part of these papers into what is, at present, 5 books that he is publishing as a Series entitled Journeys In Consciousness, of which this book, Growing In Consciousness, is Volume I. In addition, each chapter contains extensive commentary written just for this book. The original content is presented, as much as possible, in the same format in which it originally appeared, thereby giving insight into the setting from which these ideas originally sprang. In a day and age when we hear a lot about how people need to learn to think outside of the box, Charles has been living a large part of his life outside of the box. And from that place of awareness, he has gathered together, over the years, some very interesting, meaningful, and insightful perspectives upon life and upon all of this stuff out here that we call reality. His goal, for decades, has been to discover ideas and principles that will help people to be able to rediscover the truths about who and what they are, and to thereby allow them to live more happy, healthy, successful and fulfilling lives. Growing In Consciousness contains about 20 earlier writings from...
