Mariner Books. Paperback. Condition: New. 256 pages. A National Review Top Ten Best Nonfiction Books of the CenturyOne of Orwells very best books and perhaps the best book that exists on the Spanish Civil War. The New YorkerNo one except George Orwell . . . made the violence and self-dramatization of Spain so burning and terrible. Alfred Kazin, New York Times In 1936, originally intending merely to report on the Spanish Civil War as a journalist, George Orwell found himself embroiled as a participantas a member of the Workers Party of Marxist Unity. Fighting against the Fascists, Orwells account of life in the trencheswith a democratic army composed of men with no ranks, no titles, and often no weaponsand of his near fatal wounding, is painfully vivid and occasionally comic. As the politics became tangled, Orwell was pulled into a heartbreaking conflict between his own personal ideals and the complicated realities of political power struggles. Considered one of the finest works by a man V. S. Pritchett called the wintry conscience of a generation, Homage to Catalonia is both Orwells memoir of his experiences at the front and his tribute to those who died in what he called a fight for common decency. With an introduction by Lionel Trilling, and a new foreword by Adam Hochschild. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
