## SUSTAINABLE TOURISM FUTURES PERSPECTIVES ON SYSTEMS, RESTRUCTURING AND INNOVATIONS ROUTLEDGE ADVANCES IN TOURISM

[DOWNLOAD PDF](#)

Routledge. Paperback. Condition: New. 340 pages. Dimensions: 8.9in. x 5.9in. x 1.0in. A global industry and an important tool for economic development, international tourism is facing an increasingly uncertain future. Global environmental change, including climate change; increasing fuel prices; and growing criticism from environmental and social interest groups are posing substantial challenges to the belief that international tourism can be sustainable at current rates and patterns of growth. This book therefore aims to answer the questions of if and how tourism can be a sustainable industry. The book concludes that sustainable tourism is possible but that it requires fundamental shifts in operations, systems and philosophies. The various contributions identify a number of means by which this can be accomplished but stress that sustainable tourism still has a long way to travel before it can reach its destination. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
