Red Willow Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Best Selling Author Brian Tracy states This is a practical book full of proven strategies you can use immediately to get your financial life back under control. If you are on a limited income or you have been laid off this is the book for you. You need to survive and protect what you have left. You need a plan to ride out this economic storm. Bad things do happen to good people like you but you do not have to be one of the casualties of this unemployment nightmare. In this short book you will find two budgets. I will walk you through both. #1 The Crisis Budget If you are down to the wire financially and need to make quick but informed decisions this is the budget you need. You can do this today! #2 The Unemployment Budget This budget is more detailed and it will help you get more organized. You will have a solid foundation on which you can not only survive but be able to move forward. Your financial stress will be reduced and allow you to focus on finding your next job. Each short chapter starts with a story of someone I have helped develop a budget over my past seventeen years of being a volunteer budget coach. Every story is unique and has a part to play in the budget process. There is something to be learned from every story. At the end of each chapter you will find a simple form to fill in that will help you on your way. By the end of the book you will know where your money is going, how to save on your expenses and...
