Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Gefen Publishing House, Israel, 2008. Paperback. Condition: New. Language: English . Brand New Book. The rules of the Jewish Sabbath are often complicated and confusing even to those who have grown up in observant homes. Bobker, the child of Holocaust survivors, has spent his life studying the intricacies of correct observance. Here he answers questions on every aspect of Shabbas . While insisting that his is not the last word, he gives full explanations for his answers. Many times the answer is it depends . Hard contact lenses can be soaked on the Sabbath, but not soft ones. One can climb a ladder to get a book off a shelf but not to adjust a crooked picture. If the car alarm goes off and doesn t stop after a few minutes one can ask a non-Jew to turn it off. If there are none around, the noise will have to continue. While Bobker writes well and with humor, the use of Hebrew and Yiddish terms makes this a guide for those who already have a solid grounding in Orthodox Jewish customs.
