

Feats on the Fiord (Paperback)

By Harriet Martineau

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Every one who has looked at the map of Norway must have been struck with the singular character of its coast. On the map it looks so jagged; a strange mixture of land and sea. On the spot, however, this coast is very sublime. The long stragglng promontories are mountainous, towering ridges of rock, springing up in precipices from the water; while the bays between them, instead of being rounded with shelving sandy shores, on which the sea tumbles its waves, as in bays of our coast, are, in fact, long narrow valleys, filled with sea, instead of being laid out in fields and meadows.

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
