

## It's Fun to Learn About Shapes: A Busy Picture Book of Fabulous Facts and Things to Do! (Hardback)

By Arianne Holden

Anness Publishing, United Kingdom, 2016. Hardback. Condition: New. Language: English. Brand New Book. Juggled spheres, spinning circles, slithery spiral snails, magical fairies, brilliant building blocks, spying telescopes and yummy chocolate triangles make it really fun to learn about shapes and all their properties. Did you know that you can make a diamond shape out of two triangles, or which shapes can fit together without gaps? From a detailed exploration of two- and three-dimensional shapes, to a look at shapes in the natural world, this book will teach young children the basics they will need to know for their first years at school.
