

Next Stop: A Memoir of Family

By Glen Finland

Penguin Putnam Inc, United States, 2013. Paperback. Book Condition: New. Reprint. 201 x 130 mm. Language: English . Brand New Book. The summer David Finland was twenty-one years old, he and his mother, Glen, navigated the Washington, D.C., Metro trains. Every day. David has autism, and the hope was that if he could learn the train lines, maybe he could get a job. And if he could get a job, then maybe he could move out on his own. And maybe his parents marriage could get the jump start it so desperately needed. Maybe. A candid portrait of a differently abled young man poised at the entry to adulthood, Next Stop recounts the complex relationship between a child with autism and his family as he steps out into the real world alone for the first time. This personal narrative of a mother's perpetually tested hope is a universal story of how our children grow up and how we learn to let go and reclaim our lives, no matter how hard that may be.

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
