Avalon Travel Publishing, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book. The Storm and Other Erotica introduces to American audiences a controversial work of charged eroticism in the great French literary tradition of The Story of O and The Butcher. The Storm is a baroque, surreal novella that charts a beautiful young widow s fevered attempts to hold on to her adored husband. As she becomes increasingly convinced that her husband will soon reawaken to join her, her fantasies become more intense, until reality and fantasy meld into a long dream of hysterical passion. This controversial and intense novella is joined here with selections from Deforges s Perverse Tales, light erotic vignettes that play with taboo and stereotype with delightful results. In Old Man s Funeral, an old curmudgeon s funeral in the French countryside turns suddenly charged by the arrival of his seductive niece and her young lover. And The Truckdriver follows a lusty young driver of a big rig through an Italy full of women dreaming of wheels. If you are looking for a book that will keep you up at night, you have found it. My only regret is that it didn t last longer. -- Elle.
