

Human Technogenesis: Cultural Pathways Through the Information Age

By CAD Perfect Corporation, Dinesh Sharma

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Human Technogenesis: Cultural Pathways Through the Information Age, CAD Perfect Corporation, Dinesh Sharma, The chapters in this volume demonstrate that the recent wave of innovation and adaptation to information technologies, giving rise to a new form of "human technogenesis," is fundamentally transforming our everyday interactions and potentially reconstructing the nature and process of human development. Human technogenesis is the constructive process of individual and sociocultural innovation and adaptation to the everyday interactions with information technologies, which significantly affects the developing and the developed mind. The technologically driven information economy is reshaping everyday human behavior and sociocultural environments. Yet our paradigms for understanding human development within a cultural framework are guided by traditional and dichotomous ideas about the social world (for example, individualism collectivism, egocentric sociocentric, modern traditional, Western Non Western). As the impact of information technologies permeates all aspects of our lives, research in human development and psychology must face the digitally, connected social environments as its laboratory, filled with naturally occurring experiments, whether it is the speed at which we now communicate in the home or workplace, the far reaching access children have to a wide array of...
