Mission Statement: The mission of the book series is to be consistent with the mission statement of the International Public Management Network (IPMN) that will sponsor the series. The mission of IPMN and the book series is to provide a forum for sharing ideas, concepts and results of research and practice in the field of public management, and to stimulate critical thinking about alternative approaches to problem solving and decision making in the public sector. The book series editors will seek to facilitate exchange and cooperative work among scholars interested in transformational change in the public sector in individual nations and around the world. Our intent will be to create and sustain a dialogue on emerging management concepts, methods and technology so that readers can learn about innovation and change in public sector organizations throughout the world. IPMN presently includes members representing 70 different countries approximately 600 representatives from these nations. As such, we have a solid base of subscription support for the book series within IPMN. For more information on IPMN see the website at: In addition, we want the series to appeal to members of the Public Sector section of the Academy of Management and to the members of the Association for Public Policy Analysis and Management. Both editors belong to and participate actively in AOM and APPAM.
