

The Encyclopedia of American Law Enforcement (Paperback)

By Michael Newton

Facts on File Inc, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. Written in a clear and engaging style, The Encyclopedia of American Law Enforcement gives the official low-down on the exciting world of law enforcement, providing an A-to-Z history of the police and law enforcement authorities in the United States - from the 17th century to the present. With more than 600 entries, this book goes behind the scenes and takes a closer look at this exciting topic. Biographical information on figures such as U.S. attorney generals and FBI directors, various police chiefs and commissioners, sheriffs, criminologists, detectives, and victims are also included. This amazing volume is perfect for anyone interested in law enforcement and its role throughout history. The coverage includes: all major federal law enforcement agencies; at least one police department from each state; biographies of key figures; civil rights and social issues; community outreach efforts; famous or infamous incidents and scandals; law enforcement campaigns, such as the war on drugs; police codes, organization, and jargon; police tactics and special units; types of crime; and, women in law enforcement.

Reviews

This ebook may be worth a go through, and superior to other. I could comprehend every thing out of this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Damien Schuster PhD

Completely essential go through book. I actually have go through and i am sure that i am going to going to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
