Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is the true story of a pathological, serial, workplace Bully and is written by a proud survivor. Names have been changed to protect the innocent. It is a horrific tale of terror, manifested by a malevolent mind bent on selfish ambition. It is a story of how the monster worked his way into the victim s confidence, learned his strengths and weaknesses, and even boasted to him what he was going to do before implementing his evil plan. It is a legend of how kindness and compassion are crushed by the sinister whispering campaign, how the bosses and managers were too terrified to act for fear of retaliation upon themselves. It is a textbook of psychological torture, and a miracle that anyone could survive it. But, it is also a book of hope. Of how to seek out help if you are confronted by such a Bully. A book of reasoning and forgiveness, to let us know that we are not alone. That such monsters do exist, and how to recognize them and thwart their insidious plot. I have been targeted by the same work place bully for over 13 years now. The first part of my book tells my horrific story with this very horrible person and the second part about some lessons learned. After my last horrific assault from 10/2012 - 1/2013 I felt that the only thing I can do is expose him. I hope that people will read this and take appropriate steps to prevent this from ever happening to anyone else.
