ZEBRA THOUGHTS JR: WE ALL MATTER (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Zebra Thoughts Jr: We All Matter is more than a creative children s tale. It s the amazing story of two young friends that discover racial inequality in their own backyard - a narrative that, unfortunately, has become all too common in America. The author, R. C. Ferguson, captures the array of emotions felt by children, families and communities following a disturbing incident. She presents the situation in a sensitive, easy-to-understand and age-appropriate format for children and adolescents. This book is an excellent catalyst to starting the uncomfortable but necessary race conversations families across the nation must begin to have with their children, and provides thoughtful discussion points on how to heal the breach that racial inequality has left in the community.
