Mercer University Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Creek half-blood and survivor of the Creek Indian War, Joie Kincaid and the nemesis she rescued from certain death after the Massacre at Fort Mims are kidnapped from a tea room in London. Joie awakens with amnesia-after having been struck on the head-to find herself in the hold of a ship sailing to the pirate Gasparilla's lair in Charlotte Harbour and bound to a man she finds strangely familiar. To save himself and Joie, the preeminent scholar Godfrey Lewis Winkel is forced to take heroic action. As a story of passion unfolds between the two, Joie Kincaid must overcome a childhood of abuse and rejection to accept love she had never known. Together they weather the tempests of pirates, illness, the Seminole War, family vendetta, and a hurricane to find their way to each other and a love neither could have imagined. Interwoven in this action-packed adventure is the long-forgotten tale of hope and betrayal at the Negro Fort, the plight of the Red Sticks after Horseshoe Bend, the greed of a pirate longing for a legacy, Andrew Jackson's single-minded vision of a nation's manifest destiny, and the British officers who seek to redeem a promise and forge an empire. In Pursuit continues the family saga begun in *Swimming with Serpents*, a story of love, war, and redemption set against the Creek Indian War.
