

I m Just Here for the Free Scrutiny (Paperback)

By Abby Rosmarin

Thought Catalog Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How do I break into the modeling world? Do I have what it takes to become a supermodel? Where did I leave my keys? I will answer none of these questions in my new book I m Just Here for the Free Scrutiny. But I will provide you with a few laughs as I talk about my time in the fashion and commercial industries. From when I learned I don t have a sex-phone operator voice to when I fainted in the middle of a shoot. From when I bombed a movie audition to when I was upstaged by the modeling equivalent of a soccer mom. It s all here. So sit back, relax, and read a few stories that will remind you that modeling is about as glamorous as babysitting a bunch of toddlers. Toddlers on a sugar rush. By the way, your keys are underneath your jacket in the kitchen.
