It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The zany adventures of a Great Dane/Bloodhound mix in Ohio takes on a life of its own when he digs up a zombie in the woods. Meathead is a typical dog, loyal, friendly, innocently mischievous, and his owner, 40-something Einstein Angleton (still living with his mother), knows this well. The novel is uniquely narrated in Meathead s voice as he chats with other woodland creatures and struggles to be a good dog to his human, a race he holds little respect for. The plot kicks in when Angleton finds a camera during a recent walk through the forest with Meathead, who digs at a smelly patch of dirt that has a hand coming out of it. Once developed, the camera s pictures reveal the misshapen face of a man -- a recently-turned zombie named Hubert Pines who winds up on Meathead s porch looking for sympathetic conversation and ends up befriendng the pooch. Before long, things get crazy as Meathead outwits the local trainer (a.k.a. Dog Nazi) to help Hubert stay hidden and find him a stash of Zoloft while vying for the love of Anita, a female zombie bent on biting Einstein, all before his body falls apart completely. A spirited, refreshing addition to the recent influx of zombie stories. Readers Weekly ABNA.
