Little Island. Paperback. Book Condition: new. BRAND NEW, Primperfect, Deirdre Sullivan, In the event of my untimely death, please burn this unread. No, don't DO it! Prim's alive (though the dashing Roderick is, alas, no more). She's sixteen. She's trying to make sense of her mum's diaries. She is trying desperately to make Joel be friends with her again, but he's all friends with Karen (aka the devil) now, and Prim's found a boy called Robb-with-two-bees, and then there's Steve the Goblin, and her dad's getting together with you'll-never-guess-who, and as for what's going on with Ciara and Syzmon - Everything's a little imperfect. Desperately funny. Desperately touching. The final instalment in the diaries of Primrose Leary.
