

Here Come the Warm Jets (Paperback)

By Alli Warren

City Lights Books, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Warren s first book of poems is highly self-reflective, interestingly interrogative, and a lot of fun. --Booklist Charged with swagger and sensuality, tenderness and cold fact, the 10th Spotlight series installment, Here Come the Warm Jets, is the brash debut volume by Bay Area poet Alli Warren. Taking its title from the Brian Eno classic, Jets jumbles gender, class, and space-time perspectives into a chorus of contemporary idioms and lyrical longings. Against the daunting backdrop of contemporary political-economy, Warren launches her missives of desire, in writing that is at once raw and sly. From the Bishop of Worms to Flipper to E-40, nobody s safe from the easy virtuosity with which she makes language sing. The collection is a finalist for the 2014 California Book Award. About the Spotlights Series: City Lights Spotlight hopes to shine a light on the wealth of innovative American poetry being written today. We intend to publish accomplished figures known in the poetry community as well as young emerging poets, using the cultural visibility of City Lights to bring their work to a wider audience. In doing so, we also...
