10 Leadership Contracts

By Joe Currier

Friesenpress Sep 2012, 2012. Buch. Book Condition: Neu. 216x140x7 mm. This item is printed on demand - Print on Demand Neuware - This book is a practical guide to help ambitious, upwardly mobile individuals to build credible leadership. While the 'contracts' are grounded in traditional strategic initiatives to advance one's career and elevate the business 'bottom-line', the principles also offer valuable suggestions to establish other partner-relationships, including spousal and parental opportunities. 'The 10 Leadership Contracts' are not rigid, legally-binding agreements. They are concrete action-steps to produce passionate partnerships grounded in trust, respect, and excellence. The 5th Contract may exemplify the healthy tension embedded in 'power teams': 'My partners are my competition AND my responsibility.' 66 pp. Englisch.

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication can be really worth a go through, and superior to others. It is amongst the most amazing publications we have gone through. You won't feel monotony at any time of your own time (that's what catalogues are for about when you request me).
