The Pragmatic Programmers. Paperback. Book Condition: new. BRAND NEW, Behind Closed Doors: Secrets of Great Management, Johanna Rothman, Esther Derby, Great management is difficult to see as it occurs. It's possible to see the results of great management, but it's not easy to see how managers achieve those results. Great management happens in one-on-one meetings and with other managers - all in private. It's hard to learn management by example when you can't see it. You can learn to be a better manager - even a great manager - with this guide. You'll follow along as Sam; a manager just brought on board, learns the ropes and deals with his new team over the course of his first eight weeks on the job. From scheduling and managing resources to helping team members grow and prosper, you'll be there as Sam makes it happen. You'll find powerful tips covering: delegating effectively; using feedback and goal-setting; developing influence; handling one-on-one meetings; coaching and mentoring; deciding what work to do - and what not to do; and more. Full of tips and practical advice on the most important aspects of management, this is one of those books that can make a lasting and immediate impact on your career.
