Reviews

Absolutely among the finest publication I actually have actually go through. It really is rally fascinating throgh reading time. I am easily could possibly get a pleasure of looking at a composed ebook.
(Prof. Rick Romaguera)

MATERIA MEDICA AND PHARMACY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Materia Medica and Pharmacy In revising White s Materia Medica and Therapeutics to bring it into harmony with the United States pharmacopmia so much additional matter has been introduced into the five American editions that it seemed advisable to re-write the book. The forthcoming revision of the Pharmacopoeia has given the Opportunity. The many advances in the subjects here treated have necessitated the division of the work into two distinct parts; this, the first, being devoted to Materia Medica and Pharmacy and the second to Pharmacology and Therapeutics. It is hoped that this natural separation of the subjects will be acceptable to the physician and the student. In the present work full attention is given to pharmaceutical processes, to the various kinds of preparations, with their dosage, and to the art of prescribing; after which the description of remedies is taken up in detail. The list of therapeutic agents is divided into two main parts, under the heads of Inorganic and Organic Materia Medica, and the general classification adopted is one based on the grouping of the articles according to the class and chemical division or natural order to which each belongs. In order to make the book more complete, condensed descriptions of the action and therapeutic use of all the remedies have been appended. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
