St Martin s Press, United States, 2008. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Miriam Beckstein is a young, hip, business journalist in Boston. She discovered in The Family Trade and The Hidden Family that her family came from an alternate reality, that she was very well-connected, and that her family was too much like the mafia for comfort. She found herself caught in a family trap in The Clan Corporate and betrothed to a brain-damaged prince, and then all hell broke loose. Now, in The Merchants War , Miriam has escaped to yet another world and remains in hiding from both the Clan and their opponents. There is a nasty war going on in the Guinmarket world of the Clan, and we know something that Miriam does not; something that she s really going to hate-if she lives long enough to find out.
