Elizabeth Armstrong, Ph.D. Paperback. Condition: New. 102 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. Align With The Wild guides you on a journey around how Industrial Revolution innovations transformed your economy, your land, and your World. The environment determined the lifestyle choices of your ancestors and you at the expense of the Wild. The book carves a path with steps to balance your survival while unlocking the abundance of riches held within natural communities. A holistic process of self-discovery directs you towards a conscious, multi-sensational awareness to achieve your unique calling. You will be formally introduced into a mysterious network of natural community relationships that are aligned with the spirit. A greensustainability awakening is embracing individuals, businesses, and politicians in a magnificent dance to redesign our global ecosystem that empower people, strengthen the wild, and support our physical sustainable economic capitals. Join the dance in rhythm with your Universe. The Industrial Revolution ushered in the cities that became the economic hub and served as a beacon for those to find jobs in factories and businesses. Population growth exploded as a result of agribusiness practices. The economic structure became dependent upon the mass production of stuff, flow through marketing of resources, and burgeoning accumulation of wastes. Natural ecosystems became displaced that threatened the very life force needed for your survival, species biodiversity. The value of natural products and services reach into the trillions of dollars-worth of hidden wealth, annually. Natural ecosystems embody the ability to improve your world, your well-being, your abundance, and your happiness. Green solar powerhouses produce food and purify water, air, and soil of contaminants. You are one of the many bio-diverse species that form an orchestrated, wild community network that form collaborative, mutually beneficial relationships while shoring up natural capital. You possess a mysterious potential to embrace a...
