Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Talsón's Net Kidnapping Rowe Trainer, co-heir to Chartrell Shipping, might not have been the smartest thing Val Talsón's ever done, but he wants answers, fast. He couldn't have expected the beautiful little bully to be half-human, nor could he have anticipated that she could turn the tables on him so easily. She's powerful, and he's learned to be wary. His violent arousal in her presence makes little sense. Lust he appreciates, but the deeper draw to his rival baffles him. Soon he can't think of anything but Rowe. When he finds her again, he gets more than he bargained for-attraction not only to Rowe, but to her bodyguard as well. Then add the shock of her Selection-a female Otrá's readiness to mate. So it's a relief to check on the strange progress of one of the family's shipping terminals on Earth, away from the manipulations of his happily mated siblings. The last thing he expects to encounter at Port Chase is the sexy woman of his dreams. A supposed human glaring at him with dark eyes-Otrá, alien eyes. And then there are her accusations that Talsón...
