THE MACHIAVELLIAN MURDERS (PAPERBACK)

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This booklet presents a collection of what are dime-a-dozen true stories about divorce, separation, homelessness and suicide to support the 7 tabooed suggestions made for family court reform. The heartless money makers don t want these reforms, so the suggestions are ignored. In the meantime, about half of all suicides happen in the shadows of a family court system with victims ranging in age from 8 to 80. The suicides typically die by way of feeling hopelessly separated or homeless. When this happens because of the actions of others their deaths are called Machiavellian murders. To quote Albert Einstien: The world is a dangerous place to live, not because of those who are evil but because of those who do nothing about it. This booklet does offers 7 things to do about it.
