AUTHORHOUSE, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My story is based on my experience in raising an autistic child and to also help raise autism awareness that these special children can become such a wonderful addition to our society. As autism has become such an epidemic these days, I feel my story may benefit any parent or parents who may feel so lost, confused, having chronic unhappiness, desperation, feeling guilty and so saddened by the autism diagnosis for their special child. Us parents must devote most of our time to accomplish this significant progress. Hopefully, you will find genuine happiness of what you and your child can and will have accomplished. My story will hopefully be very helpful to you and change your entire concept that autistic children can become successful, independent and productive in life, no matter what negativity is ever told to you.
