Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

I loved this book. -Susan Wiggs In this exciting new series, author Susan Fox welcomes you to Caribou Crossing, a small western town made for love and adventure. . . Now they've both got the lives they planned--Evan in New York, Jess with her beloved horses in Caribou Crossing.
