Reviews

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotomy at at any time of your respective time (that's what catalogues are for concerning should you ask me).
(Tevin McClure)

YEAR BOOK OF THE ROSE SOCIETY OF ONTARIO, 1925 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Year Book of the Rose Society of Ontario, 1925 In this, our 1925 Annual, we send greetings to our fellow members in the Rose Society of Ontario. TO every enthusiastic rose grower we extend the hand of comradeship. We, too, have experienced those anxious Mays, those delirious Junes and Julys, those mildewed Sept embers. At the time of the Rose Show we, also, have en dured much. We have sat out in untimely showers holding umbrellas over the favorites; on a scorching July day, we have filled the bath-room with steam and electric heat to force out reluctant buds; and we have let the butter melt and the milk sour because the refrigerator was occupied by the full blown. And the result is, as we need not tell you, that we can hardly wait for the Spring to begin again. To the luke-warm and the faint-hearted we wish to impart some of this enthusiasm. It is seldom physicians, Christian Scientists and psychologists agree, but in this one thing they are unanimous - that it is necessary for every human being to have a hobby. And growing roses is the healthiest hobby possible, giving pleasure to many and annoying none. On the following pages will be found a few simple rules, -if you follow these you should have roses good roses. Once you have grown these you will need no. More persuasion; we can see you cutting up your lawns and pulling up your perennials to make more room for rose beds. And Should you become ambitious there is simply no end to the worlds you may conquer. By studying chemistry, engineering, botany and entomology you may finally reach the dizzy height...
