Brand New Book ***** Print on Demand *****.Excerpt from Teacher s Assistance in the Use of the Third Volume of Union Questions: Prepared for the American S. S. Union, and Revised by the Committee if Publication When this work was commenced, its chief design was, through the medium of the Sunday School Journal, published by the Amer. S. S. Union, to present, once in each week, to those Teachers who were in the habit of using the Union Questions, some explanations and reflections which would facilitate their business of Teaching. The publication had not long gone on in the paper, before the plan was universally approved, and found to answer the purpose for which it was designed; but inasmuch as the pages of a weekly Journal would preserve the Lesson only for the time being, it has been thought not only expedient, but necessary, to put the matter so published in a volume, that it may be used in a form perfectly convenient and permanent. In order to make the work as complete as the nature of the case would admit, it has been carefully revised by the author, large additions made, and such amendments as in bis estimation would render it still more acceptable and useful.
