## DYING TO LIVE - BOULEVARD OF BROKEN DREAMS

Paperback. Condition: New. 256 pages. This is the story of the life struggles, joy and hope of KJ Nivin (pseudonym), author of the 12 Step workbook recovery series, that range from alcoholism to compulsive debting and sexual addiction. Nivin was born into a family system riddled with alcoholism, prescription drug addiction, sexual addiction, and compulsive pauperism. This is about the making of a sex addict alcoholic and how growing up in his family plagued by drinking, codependency, womanizing, and atheism shaped the life of a child to relive what he had witnessed. His genetic predisposition to addiction and his out of control environment insured that he would follow the foot steps of his father. He almost followed them to the grave. There came a time in my life that I would have to decide: Is there or isnt there a God Nivin relates. This story tells about KJ Nivins struggle with God and how he wrestled with the idea of a Supreme Being that created all and who might care for him. Nivin recounts his amazing God experience. In the chapter A Spiritual Journey he explains his hopes and fears about God, his private thoughts about this Being, and his relationship with his Creator on a day to day basis. Im not too keen on religion but I love spirituality and the possibilities that it brings. It seems to me that the times we live in today parallel the times of Christ. Today, what works for me is a practical relationship with God who interacts with me minute by minute and has become my friend and confidant. Now living in North Carolina KJ has traveled the world in sobriety. He lived in Europe and Asia for over 13 years total and participated in Desert Shield/Desert Storm in the early nineties. He...
