Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from **Louis Agassiz: His Life and Work** In his biographical memoir, read before the National Academy, Arnold Guyot, the life-long friend of Agassiz, said: Permit me here to allude to one of the providential circumstances of Agassiz s life, which enabled him to perform so large an amount of work, and to do it cheerfully as well as efficiently. I mean his marriage, in 1849, with a distinguished daughter of his adopted country, whom we all know without naming her, and all admire and respect. In this constant and devoted companion of his American life he found a wise and affectionate mother for his children. Her sound and firm judgment, her well-balanced mind, gave him much needed help and encouragement in the midst of sometimes complicated circumstances. Her literary talents, to which we owe the interesting record of his Brazilian journey, the picturesque account of the Florida reefs, and perhaps the final appearance of more than one of his late works, are acknowledged by all. Her deep and absolute devotion, her soothing influence, secured for him the peace of mind and heart so necessary for an undisturbed mental activity. To her also science owes a tribute of gratitude. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
