Peter Lang Publishing Inc, United States, 2012. Hardback. Book Condition: New. 2nd Revised edition. 226 x 155 mm. Language: English . Brand New Book. Teaching about Frederick Douglass will stimulate conversation among liberal arts and education professionals as well as inform public school teachers about the life and times of Frederick Douglass. Tension exists at many institutions of higher education between liberal arts faculties who do not completely understand the function of education professors and school of education faculties who feel that there is a misunderstanding about what a teacher candidate needs to learn before entering the teaching profession. This book facilitates conversation, addressing the liberal arts professor s concern with content and the education professor s concern with pedagogy. By providing both current scholarship and lesson plans for elementary, middle school, and secondary school classes, this book serves as a vital resource for scholars on multicultural issues and provides classroom ideas for public school teachers.
