The reissue of a series of essays so ephemeral and even superfluous may seem at the first glance to require some excuse; probably the best excuse is that they will have been completely forgotten, and therefore may be read again with entirely new sensations. I am not sure, however, that this claim is so modest as it sounds, for I fancy that Shakespeare and Balzac, if moved to prayers, might not ask to be remembered, but to be forgotten, and forgotten thus; for if they were forgotten they would be everlastingly re-discovered and re-read. It is a monotonous memory which keeps us in the main from seeing things as splendid as they are. The ancients were not wrong when they made Lethe the boundary of a better land; perhaps the only flaw in their system is that a man who had bathed in the river of forgetfulness would be as likely as not to climb back upon the bank of the earth and fancy himself in Elysium. If, therefore, I am certain that most sensible people have forgotten the existence of this book do not speak in modesty or in pride I wish only to state a simple and somewhat beautiful fact. In one respect the passing of the period during which a book can be considered current has afflicted me with some melancholy, for I had intended to write anonymously in some daily paper a thorough and crushing exposure of the work inspired mostly by a certain artistic impatience of the too indulgent tone of the critiques and the manner in which a vast number of my most monstrous fallacies have passed unchallenged. I will not repeat that powerful article...
