Brand New Book ***** Print on Demand *****.Fast-track Your Way To A Shredded Super-fit New You With HIIT Workouts So, you've been following your workout program rigorously and running long distances, but you're finding that you still can't get that belly fat to budge. You try doing more and more cardio only to find that you start losing muscle! Your dream is slipping away and you need a new tool to help you get that nice toned body you promised yourself. You want to get your body fat to back off. But you want your muscles to remain. You want to look like those other people at the gym. How do they do it? . . . If this is your predicament, welcome to the world of High Intensity Interval Training (HIIT). HIIT is the solution that you need to strip off body fat while actually adding quality, lean muscle mass. High Intensity Interval Training (HIIT) is an advanced cardio training system that is all about burning as many calories as possible in as little time as possible while still keeping muscle...
