Deborah Potts, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I m mad at you! We try over and over to improve a relationship and yet nothing ever changes. Are you ready to try something new? The secret to making peace in relationships is given in the two greatest commandments, found in the Bible: love God with all your heart, all your soul, all your mind, and all your strength; and love your neighbor as yourself God s most important guidelines in the Bible have to do with relationships. Think of them as the two basic things needed to have a successful life. The reason most of us fail at healing relationships is we fail to begin at the beginning. Before I can make peace with a prickly person - or love my neighbor as myself - I need to have a healthy love for myself. Before I can have a healthy love for myself I must learn to love in a healthy way - by understanding how God loves me. We can only love because God first loved us. God invented love. How surprising - or perhaps not - the inventor of love would want rebellious people to love Him back. He watches us from heaven, His heart on His sleeve. How utterly exposed and out on a limb of God! The most powerful force in the universe is a sucker for the very love He invented. Join us on a journey as we ponder love through new research into the personality of Jesus, revealing a Biblical four-fold model. We ll dive deep into Jesus perfect personality, who loves us with all His Heart, all His Soul, all His Mind, and all His Strength. As Christ s image bearers, we also have a...
