As a result, he died and was replaced by a new consciousness named Patrick John Coleman. A new soul in a full-grown body.much to the confusion of his friends and family. As the new age concept of a walk-in soul is relatively unknown to the mainstream, a growing army of walkins are coming to this planet in a Divine Invasion to set this polluted and hateful world back on a course towards peace. As Coleman struggled to find out where he came from and what happened to Eric, he turned to the great psychic researchers Edgar Cayce, Jane Roberts and Esther Hicks for answers. In doing so he found he had uncanny connections to them while also uncovering a plot by his family to keep him silent. The book also includes several hours of specially produced video footage including reenactments of key events linked via QR Codes so keep your smartphone handy and get ready for a mindbending, soul-expanding thrill ride.
