DELAYED STEAL: BASEBALL STORIES (PAPERBACK)

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Baseball is life, or so the saying goes. In this book, a man s relationship with his father coincides with the twists, turns, and surprises experienced in the game of baseball. From a sandlot in Massachusetts at the turn of the century to an old stadium cum Wal-Mart in present day Oregon, the reader is taken from one game to the next, with father and son ever present-either on the field or in the stands. On his lifelong journey the man learns the lessons his dad tries to teach him on the diamond: discipline, obedience, loyalty, teamwork, curiosity, and respect. He handles life s curve balls, in the form of rejection, alcoholism, and divorce, with the grace and stamina of a true athlete-and in the process discovers the common bond he shares with his father. Steady and detailed as the game itself, Delayed Steal is a book for anyone who once sat in the stands as a kid, rooting for the home team. Author Marshall Umpleby also wrote the heart breaking World War II novel On Falcon s Wings, described as terrific story telling and absolutely one of the best books I have ever read.
