

## Eating Korea: Reports on a Culinary Renaissance (Hardback)

Filesize: 6.12 MB

### **Reviews**

*This pdf is wonderful. We have gone through it and so I am certain that I am going to go back to study it yet again once more in the future. It has been developed in an exceedingly straightforward way which is merely after I finished reading through this pdf where it really transformed me, modified the way I think.*

Anthony Bourdain/Ecco, 2017. Hardback. Condition: New. Language: English . Brand New Book. An energetic, fast-paced trip through the rapidly changing world of Korean cuisine by the author of *Eating Viet Nam* Journalist, world traveler, and avid eater Graham Holliday has sampled some of the most exotic and intriguing cuisines in countries around the globe. However, none has intrigued him more or stayed with him longer than Korea. On a pilgrimage to Korea to unearth the real food eaten by locals, Holliday discovers a country of contradictions, a quickly developing modern society that hasn't decided whether to shed or embrace its culinary roots. Devotees still make and consume traditional dishes in tiny holes-in-the-wall even as the phenomenon of Korean people televising themselves eating (mukbang) spreads ever more widely. Amid a changing culture that's simultaneously trying to preserve what's best about traditional Korean food while opening itself to a panoply of global influences, that's balancing new and old, tradition and reinvention, the real and the artificial, Holliday seeks out the most delicious dishes in the most authentic settings—even if he has to prowl in back alleys to find them and convince reluctant restaurant owners that he can handle their unusual flavors. Holliday samples soondae (or blood sausage); beef barbecue; bibimbap; Korean black goat; wheat noodles in bottomless, steaming bowls; and the ubiquitous kimchi, discovering the exquisite, the inventive and, sometimes, the downright strange. Animated by Graham Holliday's warm, engaging voice, *Eating Korea* is a vibrant tour through one of the world's most fascinating cultures and cuisines.
