

Parentheses (Paperback)

By Helen Lepp Friesen

Resource Publications (CA), 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Parentheses { } is a collection of poetic observations about life's taxonomy, where the author wonders what is real. Sometimes the limitation of her understanding of this world with its many layers and shadows overwhelms and humbles her to a deep sense of appreciation for the simultaneous simplicity and complexity of the physical and spiritual world. Each poem is accompanied by another extension poem in parentheses. Often script in parentheses is treated as optional, as something that didn't quite fit into the regular text but was vying for inclusion nonetheless. The lines in parentheses in this case are integral to the poem, just like the subconscious mind is integral to consciousness, just like one season quietly leans on the previous one as it slips into the next with but a gossamer film in between. Parentheses { } takes the reader on a journey through the four diverse seasons in both nature and human life. These poems are about meeting God and ourselves on life's trajectory, in the eyes of our children, in the face of complete strangers, in disillusionment...

Reviews

Undoubtedly, this is the finest job by any article writer. It had been written very perfectly and beneficial. It's been printed in an exceedingly simple way in fact it is only following I finished reading this ebook by which basically modified me, modify the way in my opinion.

-- Lane Dicki

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Glen Ernsler
